

# Training and Mentoring

## Supporting you to succeed...

**This is for you and your charity –** Do you need help getting started?  
Are you new to the sector?  
Are you a sole fundraiser needing support?

**TOTAL COST BAND – £TBA – dependent on activity**

### **Training**

ConnectCharity can work with teams and individuals to provide training in specific fundraising skills such as preparing grant applications, organising an event, creating a newsletter, writing funder reports and making better use of fundraising volunteers. The training will be at your place of work and will be based around the needs of your charity and can be tailored to suit the time you have available.

*Fee: As a guide, a fee of £450 should be used per day of training (to include preparation time).*

### **Mentoring**

Fundraising can be a lonely business, especially for lone fundraisers, those who do fundraising as part of another job or for hands-on fundraisers working without a fundraising manager. Having access to an experienced fundraiser with whom new fundraising ideas can be explored, funding proposals prepared and activities monitored and evaluated can be useful and beneficial to the charity and the individual.

*Fee: As a guide, a daily fee of £300 should be used. This service can be provided on an on-going basis or for an interim period.*
